

HIGH RISK OF LOSING GRAPHICS AND TEXT

There is a limit to our artwork file filtering system, but we try our best to get your orders completed correctly and on time. Please ensure your artwork files are saved in the right format for output. If your files are not saved accordingly, they have a high risk of losing graphic and text in output. So please help us to help you!

**Converting Final Artwork to PDF :
Selecting the Right Acrobat Compatibility**

Please convert your final artwork to **PDF** and select the right compatibility according to the designing software you use.

Publish To PDF
